## EXCELLENCE IN OTOLARYNGOLOGY

### North County's Leading Otolaryngology Specialist

Dr. Stephen Dent, M.D., is a board-certified Otolaryngologist specializing in the medical and surgical treatment of adult and pediatric ear, nose and throat disorders.

Dr. Dent attended Texas A&M University and received a B.S. in Biomedical Engineering, then went on to obtain his medical degree from the University of Texas Medical Branch. After completing his General Surgery Internship at University of California Davis, he finished his specialty residency training at the University of California San Diego. He then moved to Encinitas and opened a private otolaryngology practice.

### SPECIALTIES

- **Hearing Loss**
- **Surfer's Ear**

**Dent | MD**

***“Upgrading to a brand new office with on-campus proximity to our referral base offered a business advantage no other location could. The response from our patient base has been very positive.”***

**Stephen Dent, M.D.**

Dr. Dent is a current member of the American Academy of Otolaryngology - Head and Neck Surgery, and Chief of Otolaryngology at Scripps Encinitas Hospital.

He and his team utilize the latest technology and techniques when treating patients of all ages. They are dedicated to providing excellent, compassionate care.
