Advanced Dermatology and Cosmetic Surgery

Specialty: Dermatology and Cosmetic Surgery

Dr. Lashgari and his staff at Advanced Dermatology and Cosmetic Surgery have been providing the most advanced dermatology and cosmetic surgery services in the Encinitas area since 1999. Dr. Lashgari is a board-certified dermatologist and a cosmetic surgeon dedicated to helping patients keep their skin healthy and beautiful. He completed his training at Yale New Haven Hospital and UCSD Medical Center before opening his own practice at North Coast Health Center.

Some of the services they provide include: general dermatology, removal of skin cancers (including Mohs Surgery), and cosmetic procedures such as tumescent liposculpture, laser rejuvenation, eye lid surgery, fillers, Botox® and photodynamic therapy. Aesthetician services, including acne facials and chemical peels, are also provided.

Dr. Lashgari and his friendly team look forward to helping you get the healthy, glowing skin you've always wanted. To learn more about Advanced Dermatology and Cosmetic Surgery, or to schedule an appointment, visit www.drlashgari.com or call (760) 436-8700.

Get treated like family at Advanced Dermatology and Cosmetic Surgery

ENCINITAS — Your skin functions to protect your body.

It's not only what you live in; it's how you present yourself to the world. It is important to have healthy and beautiful skin.

This is where Advanced Dermatology and Cosmetic Surgery in Encinitas comes in.

The team at ADCS aims to make patients feel at home while providing a wide range of offerings including general dermatology services, removal of skin cancers, cosmetic mole removal, skin care, advanced laser hair removal and noninvasive cosmetic procedures like fillers, Botox®, laser treatments and surgical procedures including liposuction, eyelid surgery and much more.

On the cutting edge of advancements in dermatology and cosmetic surgery, ADCS provides patients with the latest technologies in lasers and fillers.

With a wide range of services offered at ADCS, Dr. Lashgari points out that all procedures are done in the office under local anesthesia and patients are also available to answer any fur-

trative assistant who will do her best to make your short stay with us a pleasant one."

Patients can rest assured, when they visit ADCS they are in very capable hands.

Dr. Lashgari received his Bachelor of Science degree with honors from Caltech.

He did his medical school training at UCSD and then his internship at Yale New Haven Hospital.

He next returned to UCSD to do his residency training.

Dr. Lashgari is board certified in dermatology and has received extensive training in cosmetic surgery.

He is a fellow of the American Academy of Dermatology and the American Academy of Cosmetic Surgery.

Among his accomplishments is being chosen as one of best physician and surgeons by Bestof.com.

Patients at ADCS can attest to the fact that your relationship with Dr. Lashgari doesn't end when your procedure is finished. "A patient care coordinator and an aesthetician are also available to answer any fur-

“Our mission at Advanced Dermatology and Cosmetic Surgery is to provide you with the highest quality and advanced dermatology and cosmetic treatments...”

minimizes down time and cost.

ADCS is able to offer the services of a larger practice in a small practice environment.

"We are able to cater to patients' every need with very little wait time," Dr. Lashgari said.

Knowing that your time is valuable, it is rare that a patient has to wait more than 15 minutes to be seen.

The staff at ADCS wants to take care of you in a timely manner so that you can get back to your busy life.

"Our mission at Advanced Dermatology and Cosmetic Surgery is to provide you with the highest quality and advanced dermatology and cosmetic treatments in a warm, friendly, and caring atmosphere," Dr. Lashgari said. "We love to cater to our patients. When you set foot in our office, you're greeted with a genuinely friendly adminis-

ther questions you may have after your visit," he said. "Furthermore, close follow-up after procedures to determine a smooth post op process is standard."

Starting in 2013, the office provides a Concierge Cosmetic Dermatology (CCD) program, where cosmetic services are provided at 50 percent savings.

Patients can call to inquire more about this program.

Dr. Lashgari enjoys many aspects of treating patients in Encinitas. "They are friendly, educated patients from all walks of life," he said.

Those looking to receive the most advanced cosmetic procedures in the safest, most caring setting should contact Advanced Dermatology and Cosmetic Surgery today.
